Note verbale dated 4 January 2017 from the Permanent Mission of Canada to the United Nations addressed to the Chair of the Committee

Canada takes note of Implementation Assistance Notice No. 2 containing guidelines on the preparation and submission of national implementation reports, updated on 26 May 2016 by the Security Council Committee established pursuant to resolution 1718 (2006). With regard to paragraph 40 of resolution 2270 (2016), Canada recalls its note dated 31 May 2016 (S/AC.49/2016/12), informing the Committee of the status of the country's implementation of the provisions of the resolution.

Further to the note dated 31 May 2016, Canada is pleased to advise the Committee that amendments to the Regulations Implementing the United Nations Resolutions on the Democratic People's Republic of Korea (DPRK), pursuant to the country's United Nations Act, entered into force in Canada on 21 October 2016. The latest amendments to the regulations implement those measures imposed by the Security Council in resolution 2270 (2016) that were not already addressed by the country's existing comprehensive sanctions against the Democratic People's Republic of Korea.
